Worksheet

Student A: Head Office

You work at the Head Office of Superstores, an international supermarket chain. Make a call to one of your foreign subsidiaries. You are calling for three reasons.

- 1 You need to know some sales figures for fruit yoghurt in your colleague's country last month. Have a pen ready and check the information carefully.

	North region	Centre	South region	Total
strawberry				
cherry				
banana				

- 2 You want more profit from this foreign subsidiary. Profits from yoghurt are lower than in other countries. Find out if it is possible to raise the price of yoghurt and get more profit.
- 3 Find out about the future of the yoghurt market in your colleague's country. Before the call think of one or two questions to ask:

Student B: Foreign subsidiary

You work for a foreign subsidiary of Superstores, an international supermarket chain. Receive a call from Head Office in another country. The person from Head Office will want to discuss three things.

- 1 He/She needs some information about the sales figures for fruit yoghurt in your country last month. The figures are below.

	North region	Centre	South region	Total
strawberry	1050	1290	1200	3540
cherry	2000	1975	1580	5555
banana	1465	1745	1490	4700

- 2 He/She will want to discuss the prices of your yoghurts. Try to persuade him/her that you should keep the prices more or less the same for the next year.
- 3 He/She will ask you about the future of the yoghurt market in your country. Before the call think of one or two ideas for developing the market:
