Mini-interview: using a case-study

Worksheet

- A** Prepare for a mini-interview by making notes on the following points. Then work with a partner to discuss how you would answer each question.

1 Choose one specific problem you have faced in your job and explain it briefly.

2 What was the solution?

3 Which professional and personal skills did you use to help solve this problem?

4 How did your company benefit? (Try to give figures if possible).

5 Re-examine your own role in the process. What exactly did you contribute?

- B** Work with a new partner and have a formal mini-interview.

Interviewee Talk about the problem situation you have prepared.

Interviewer Use the questions above. Listen carefully and ask follow-up questions.
