Arranging a company visit

Worksheet

Student A: Visitor

You are going to Student B's country to see his/her factory/offices and his/her new products. You will receive a call from him/her to finalize arrangements for the trip. You have already booked the flight. Let him/her organize the hotel and anything else necessary.

Before the call, write down:

- the number of your flight and its arrival day and time _____
- how Student B will recognize you at the airport _____
- your requirements for a good hotel (business services etc.) _____

- some questions about the schedule, or things you want Student B to arrange for you

Student B: Host

Student A is going to visit you in your country. You are going to take him/her to your factory/offices and show him/her your new products. You will call him/her to:

- find out when he/she is arriving (day? time? flight number?)
- offer to meet him/her at the airport
- book a room in a good hotel for him/her
- describe briefly your plans for the visit: the tour of your factory/offices etc.
- find out if there is anything else Student A wants you to arrange

Before you begin, write down a brief programme for the visit with times, places and things to see/do.
