

Your CV/Resume will have a covering letter. The paragraphs of this letter might follow the pattern below.

- 1 Subject heading at the top of the letter: Vacancy for a Marketing Director
- 2 Introduce yourself and mention the purpose of your letter. If you saw an advert in a newspaper/specialist journal, say which one.
- 3 Give your background and experience, and emphasize why you are suitable for the job. Refer to your abilities and achievements, perhaps linking directly to things mentioned in the advert.
- 4 Ask the reader to look at your CV/Resume, and focus on one or two key points.
- 5 Close by thanking them for taking the time to read your CV/Resume and say when you are available for interview.

Choose a job advert from a newspaper/specialist journal or think of a real job that you would like to apply for. Write the covering letter for your CV/Resume.
