

# Approve a Four-Week Workflow Pilot

Reducing import document handoff delays

---

## Decision today

01

**Decision today: pilot the  
shared exception log.**

02

**Confirm the checkpoint  
owner.**

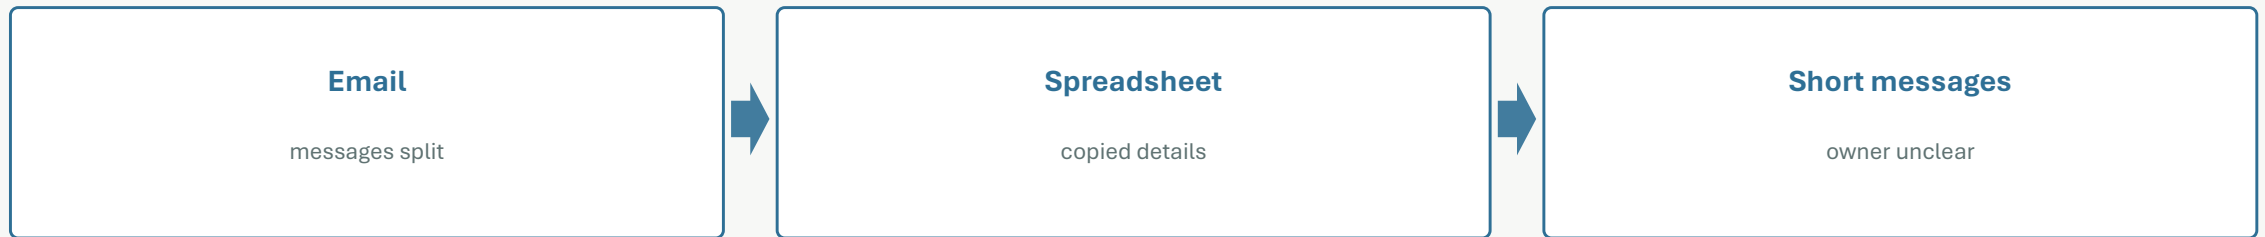

03

**Review delay and rework  
after four weeks.**

# Handoff Notes Are Spread Across Three Places

Reducing import document handoff delays

---

# Most Delays Involve Unclear Handoff Notes

Reducing import document handoff delays

---

Late handoffs

**38**

Unclear notes

**61%**

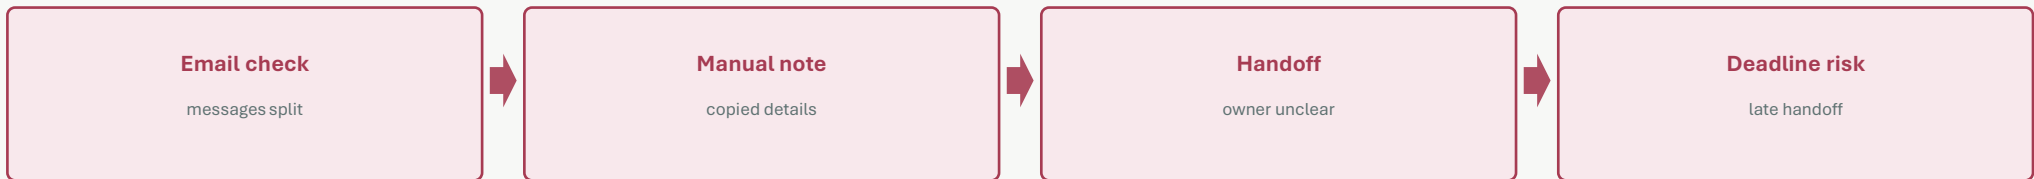

Average rework

**22 minutes**

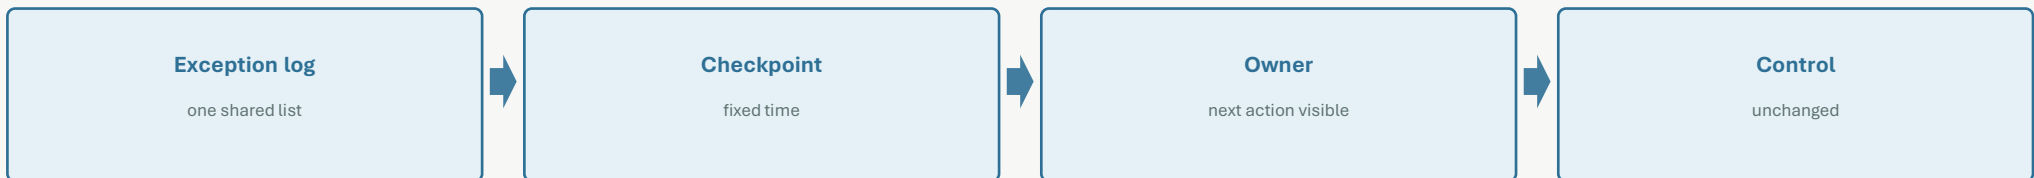

# One Shared Log Makes Ownership Visible Earlier

Reducing import document handoff delays

## Current

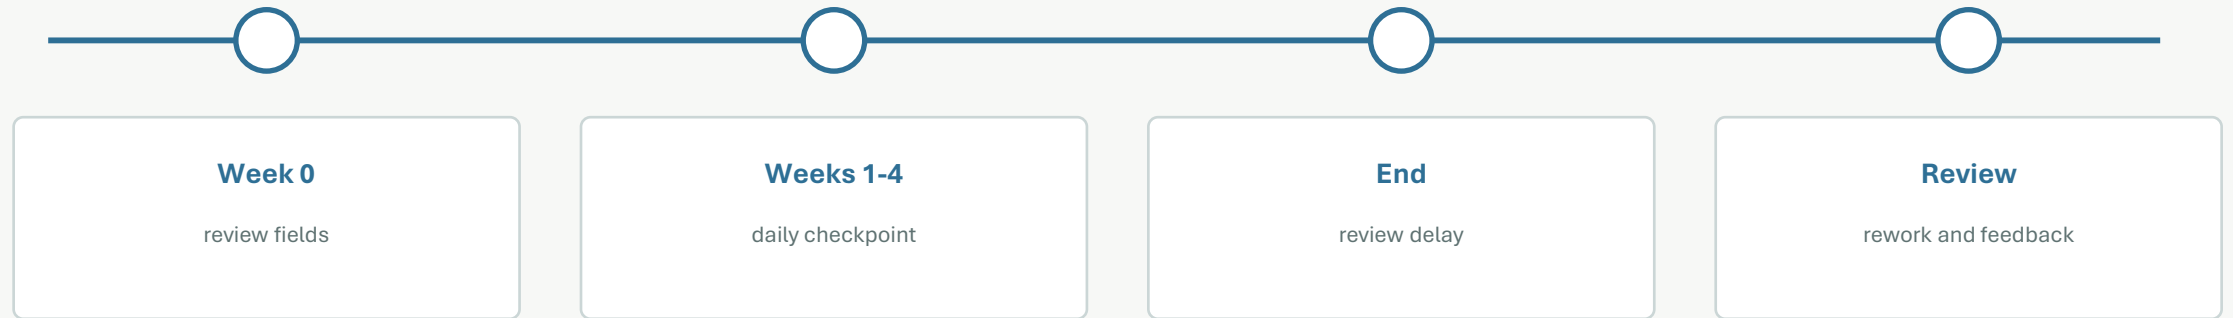

## Pilot

# The Pilot Is Limited and Controlled

Reducing import document handoff delays

---

# The Request Is Approval, Ownership, and Review Criteria

Reducing import document handoff delays

---

## Decision today

01

**Approve the pilot.**

02

**Confirm the documentation  
lead.**

03

**Agree the review measures.**
