

Approve a Controlled Expansion of the Exception Resolution Pilot

Exception resolution pilot results

Decision today

01

Decision today: expand to two more desks for six weeks

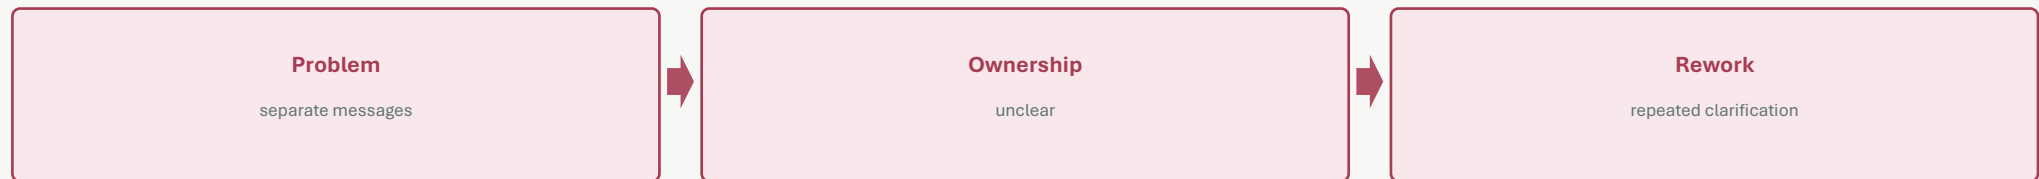

02

Controls: morning log check + duplicate-entry owner

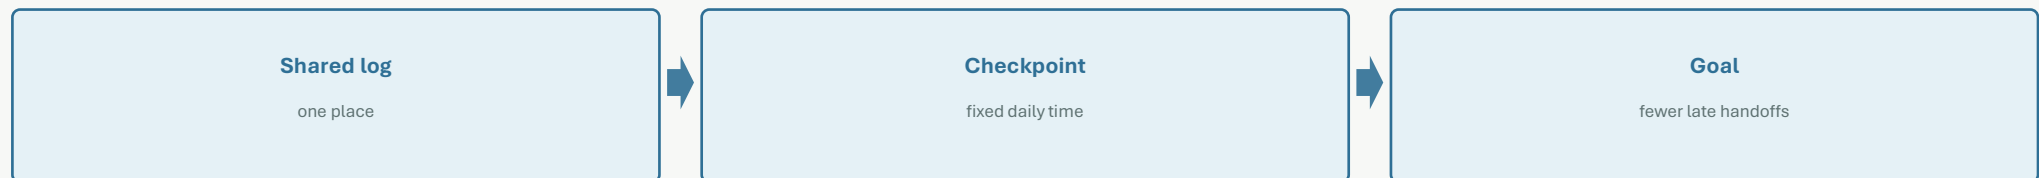

The Pilot Targeted Unclear Exception Ownership

Exception resolution pilot results

Current

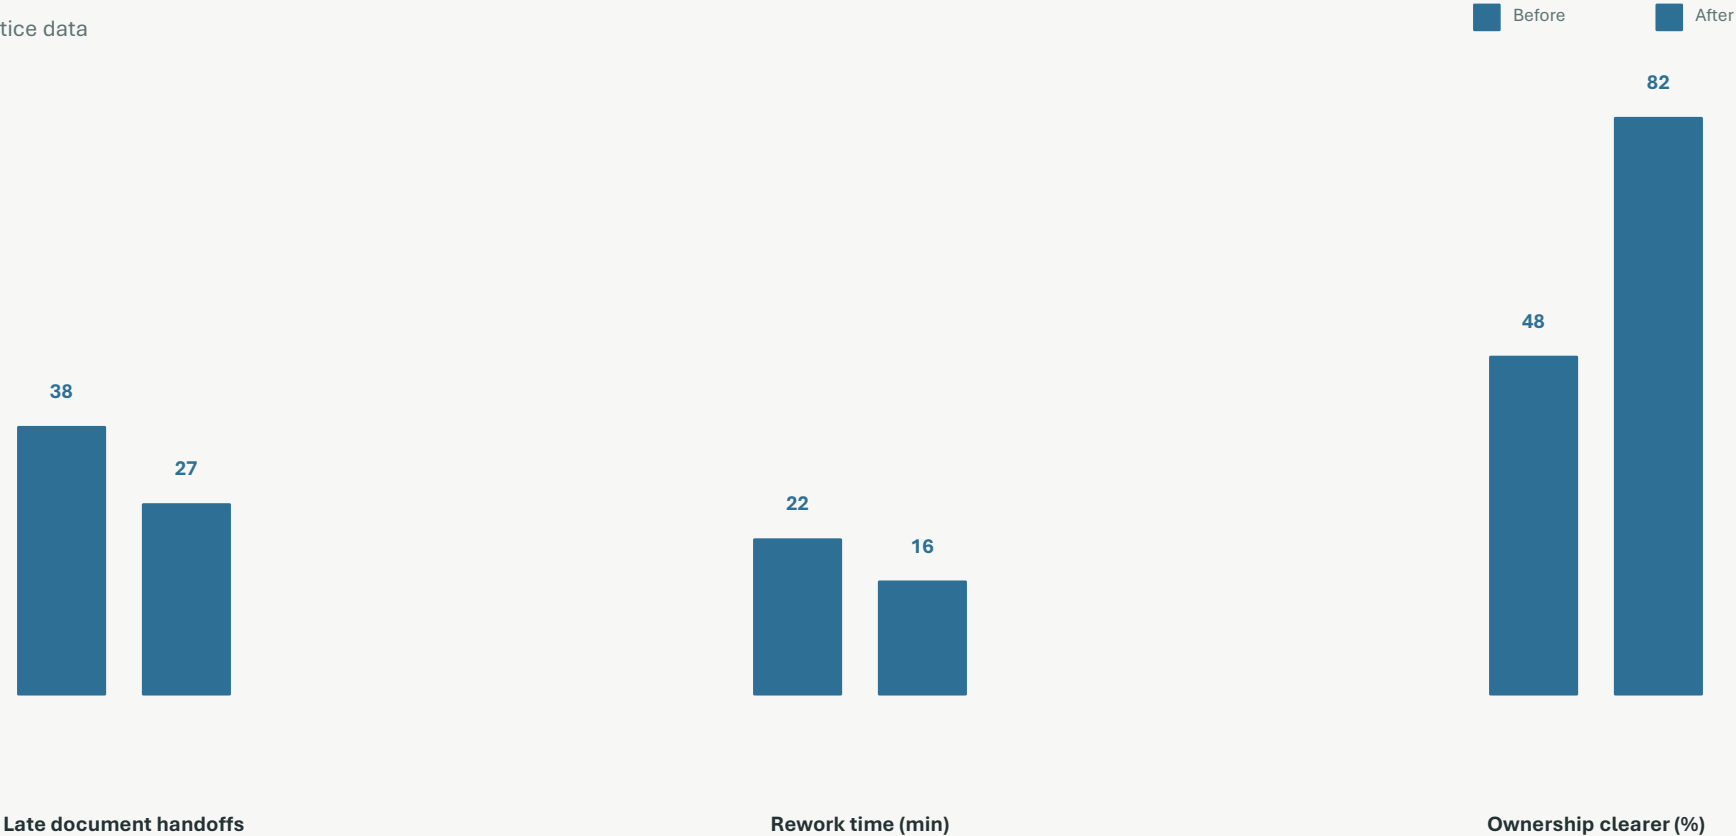

Pilot

Late Handoffs Fell from 38 to 27

Exception resolution pilot results

Fictional practice data

The Result Is Positive, but Two Controls Are Needed

Exception resolution pilot results

What improved

Clearer ownership
Fewer repeated messages

What remains

Morning updates
Duplicate entries: 9 cases

Expand, but Do Not Move to Full Rollout Yet

Exception resolution pilot results

Recommendation

two more desks

Period

six weeks

Review

**same measures + volume-
adjusted view**

Volume Check: Improvement Remained Visible

Exception resolution pilot results

Backup question

Was volume lower?

Check

**compare result against
average daily volume**

Use only if asked
